

Help your employees thrive with Microsoft Viva

When employees are at their best so is the organization. The most effective digital workplace solutions put people first.

2020 changed organizational culture as we know it. Businesses have had to learn how to adapt in order to succeed, making dramatic choices that transform their workplace and company at every level.

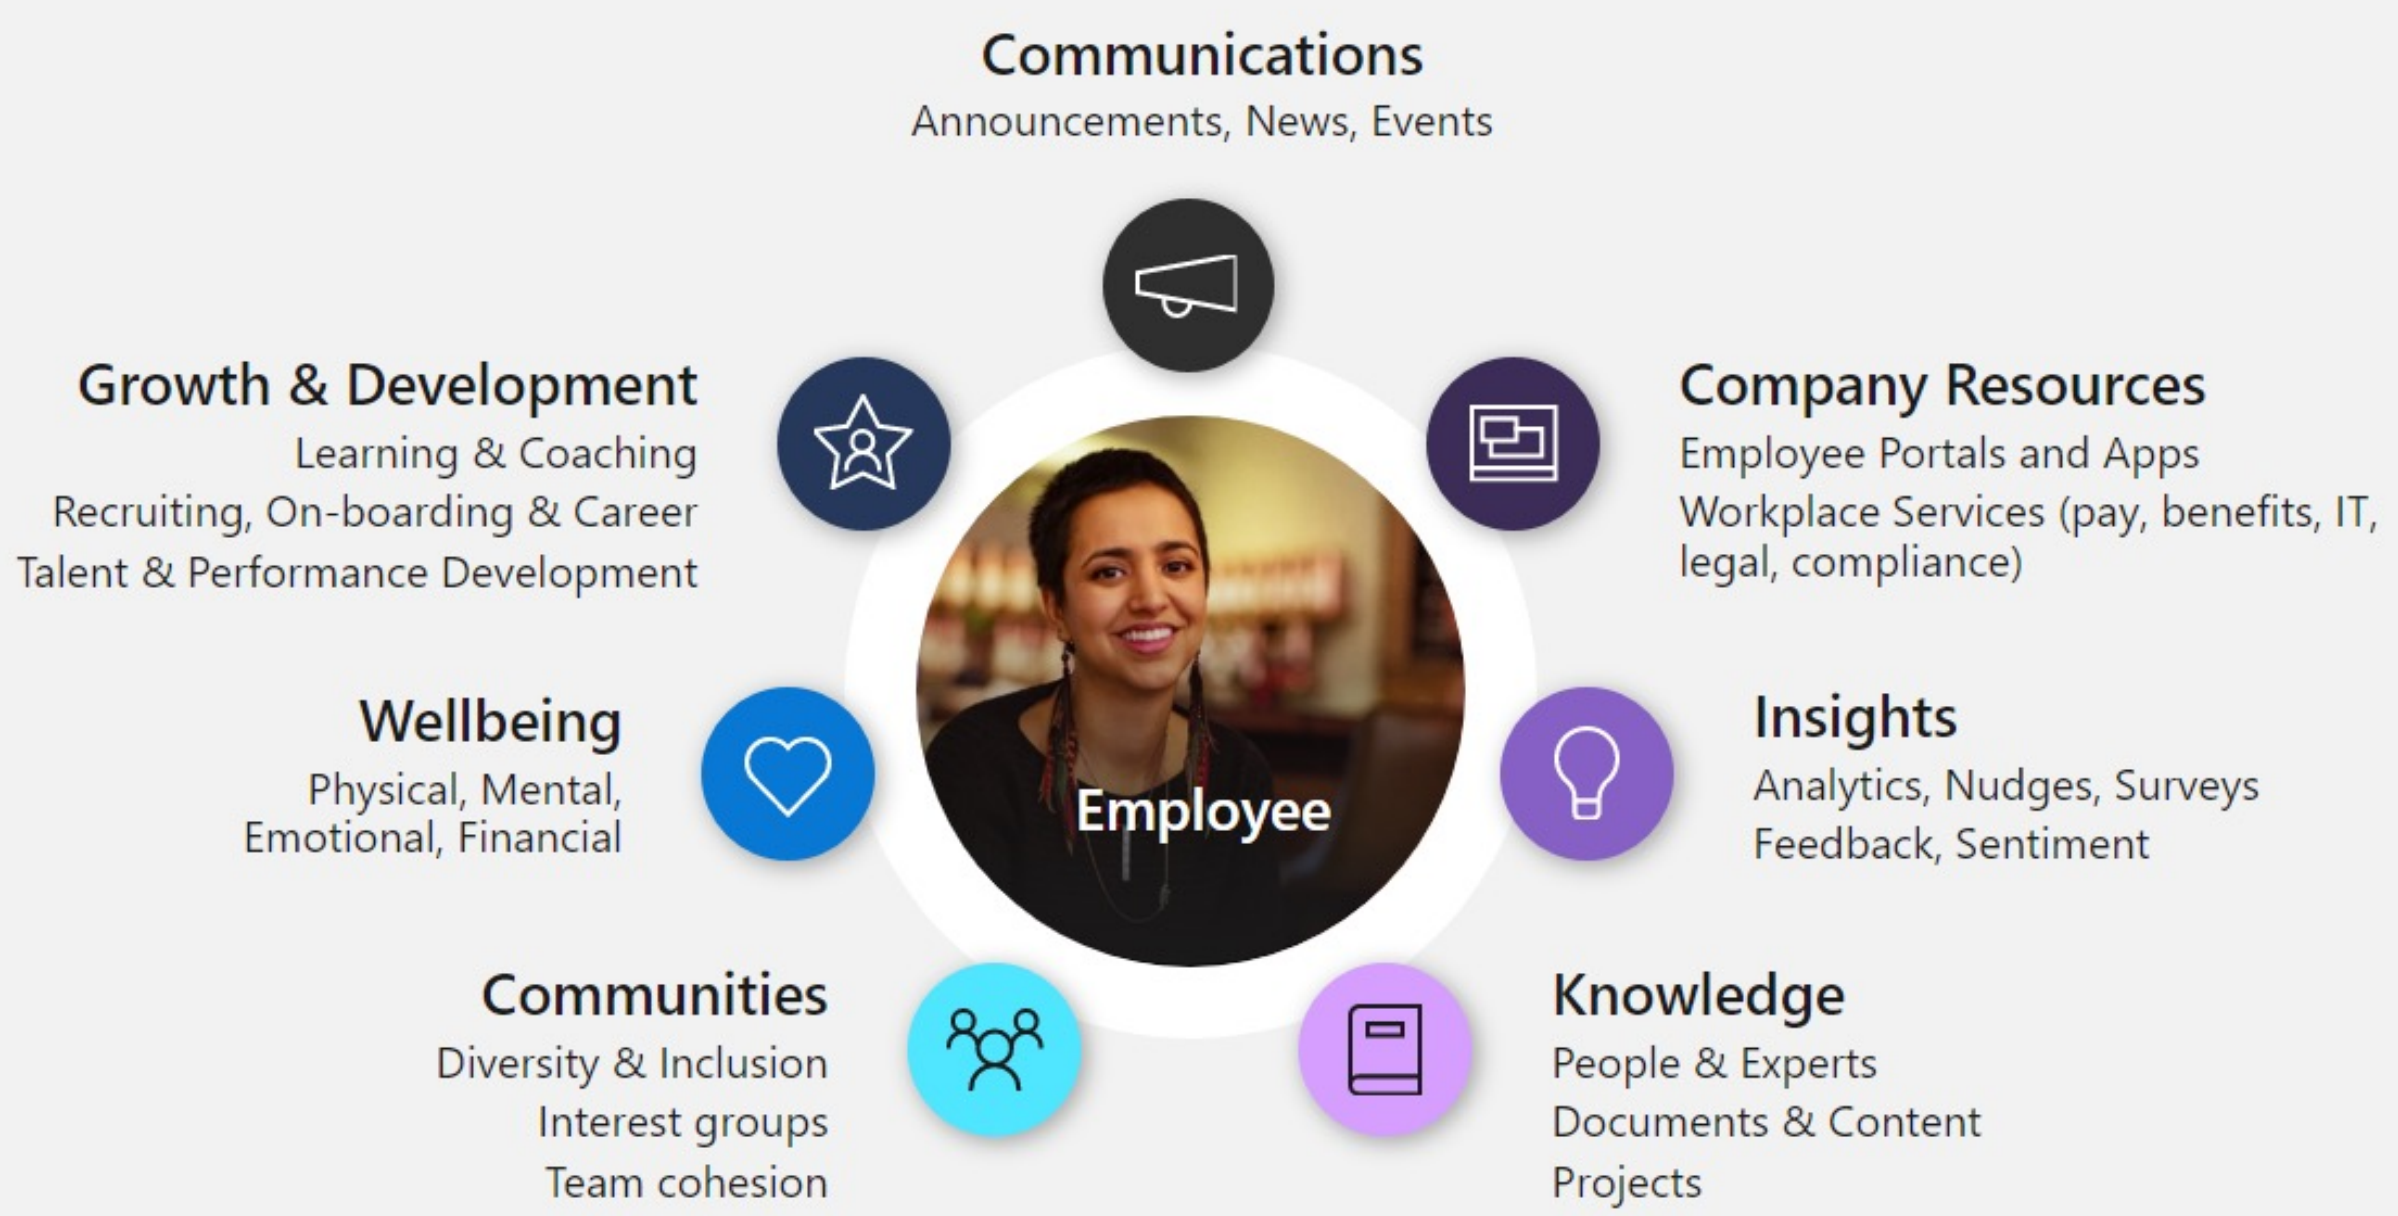

Organizations with highly engaged employees have **21% greater profitability**.

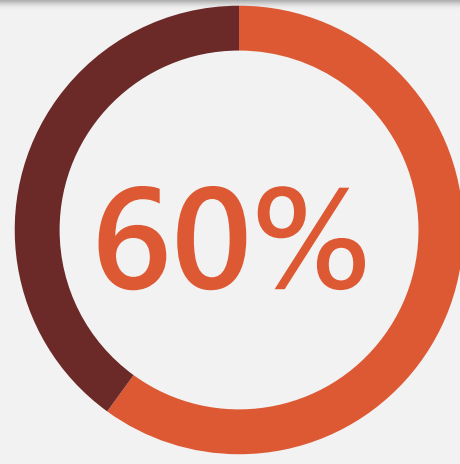

86% of top-performing companies report that digital training programs boosted employee engagement and performance.

With the Microsoft Viva employee experience platform (EXP), create a thriving culture with engaged employees and inspiring leaders.

Microsoft Viva Connections: Amplify culture and connections

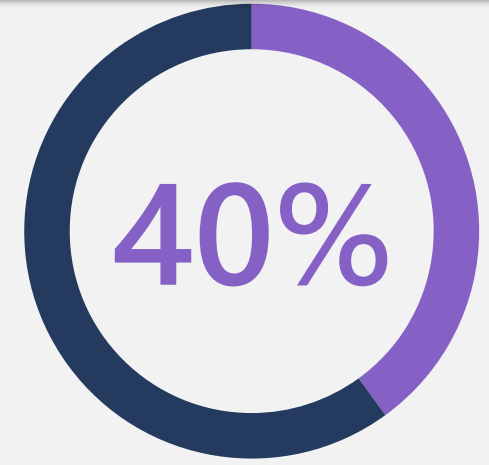

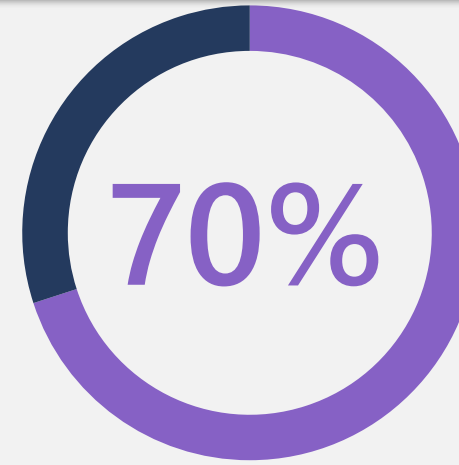

Nearly 60% of people say they **feel less connected to their teams** after shifting to remote work.

Microsoft Viva Connections is personalized and appears in the apps employees already use every day, like Microsoft Teams. Viva Connections provides them with a **curated experience** that includes **relevant news, conversations**, and other resources all in one place.

Microsoft Viva Insights: Balance productivity and wellbeing

Microsoft Viva Insights helps people and business thrive with **data-driven insights** and recommendations to **improve wellbeing** and **productivity**.

Recent events have contributed to a decrease in employee wellbeing. Nearly 70% of employees reported **higher stress levels** and 40% reported **decreased mental health**.

Microsoft Viva Topics: Harness knowledge and expertise

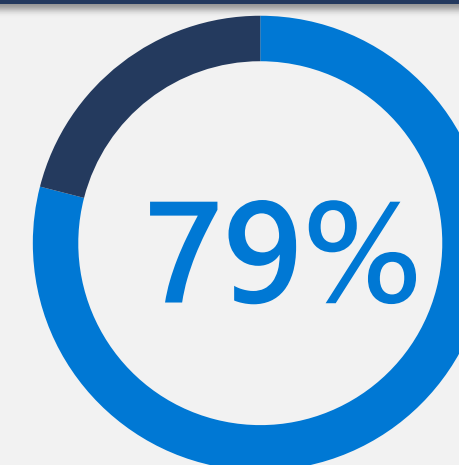

People spend **an hour a day** searching for or recreating information.

Microsoft Viva Topics leverages AI to **automatically organize content and expertise** across your systems and teams into related topics such as **projects, products, processes**, and **customers**.

Microsoft Viva Learning: Accelerate skilling and growth

Microsoft Viva Learning **delivers learning** through Microsoft Teams, **integrating world-class content** from LinkedIn Learning, Microsoft Learn, and third-party providers with your own content library.

79% of CEOs are concerned that a **lack of essential skills in the workplace is a barrier to growth**.
